BRITAX PMG

Britax PMG Limited is a leading supplier of an extensive range of mandatory and auxiliary lighting, amber hazard warning products and rear view mirrors.

Britax offer specialist on and off highway vehicle manufacturers and operators, unrivalled levels of choice and service, continuously investing in all areas of the business including design, sales and marketing and operations.

Britax PMG are proud to build on more than 60 years of heritage by providing product and market expertise, design innovation and excellence in customer service.

Britax PMG Ltd is certified with BS EN ISO9001/2002 and ISO 14001: 2004 for environmental systems.

BRITAX PSV WYPERS

Britax PSV Wypers are a specialist supplier of windscreen wiper systems, including linkage assemblies, wash components, arms & blades and gas struts, for most commercial and PSV functions, along with high specification marine and rail-vehicle applications.

For new vehicle development programmes, a full design service is available, with the ability to produce prototypes and pre-production parts.

A complete range of aftermarket components is also available from a network of distributors.
